To whom it may concern,

Good day!

I am writing to request tuition assistance for Bachelor of Science in Secondary Education at La Consolation College Isabela. I am currently facing financial difficulties that are preventing me from meeting the half cost of tuition balance.

I am Jaira Andrade 22 years old, BSED incoming 4th year College in La Consolation College Isabela. I would like you to lend your ears for my concerns in my financial difficulties. Any amount would do as long as I officially enrolled this first semester. My family's financial situation has recently changed. It hurts for me to ask someone else's help since it made me feel like I failed my own standard so I ask of you if it's alright. I understand that there may be specific programs/scholarship available and I would appreciate any guidance you can provide.

I would like to express my sincere gratitude for your consideration in my request. If there is any additional information I can provide, please don't hesitate to contact me at andradejaira11@gmail.com or 09637934518

Thank you for your time and assistance.

Sincerely,

Jaira R. Andrade
